From Hwy. 55, head east on Hwy. 43. Take a
right on Hwy. 1005 (Vigo Road). Go approx. 8
miles, passing through intersection of Hwy.
1005 and 395. We are on right, .07 miles past
intersection. We'll have a sign marking the farm.

The Farm address is 7255 Vigo Road, Bagdad
(but Mapquest and GPS often get folks lost.)

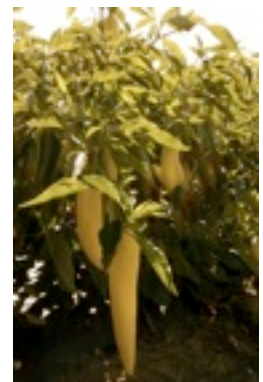

**Join us for Learning and Exploration as we
share our farm with you for a day!**

**We want you to experience how your food is raised,
and put a face with the farmers who raise it.**

Hayrides around the farm at 2:00 and 4:30.

Experience the farm in the fall: crop fields,
farm machinery, barns, cattle grazing, chickens
laying, and beautiful scenery. Educational, yet
enjoyable! Simply, sit and enjoy the farm.

Visit with a Beekeeper. Pick Your Own
Vegetables in the field, or purchase from other
farmers who feed families: preserves, apples,
pumpkins, eggs, chicken, lamb, and beef.

*If you'd like to harvest for the hungry, we'll provide boxes and you are welcome to pick; we will
donate to local food banks. Preparing the field for winter is near, so love to utilize what we can.*

**WE'LL SERVE HOMEMADE SOUP AND DESSERT; KINDLY SEND AN RSVP
BY FRIDAY, OCTOBER 11TH TO COURTNEYFARMS@GMAIL.COM**
